## SKSS PRINCIPALS' COUNCIL 2018/19

The Principal's Council is a newly formed SKSS committee that at its core has a strong focus on providing our students with an opportunity to share their input and perception as it relates to topics and issues at SKSS.

My goal is to have two representatives from each grade on the council and we will meet every 6 weeks in the library for planning and discussions.

We will also work closely with our SKSS representatives from both the Kamloops City Junior Council and the School District #73 Student Advisory Council to ensure that our work is closely aligned and shared with the planning at the district and city levels.

The Principals' Council is looking for energetic and visionary students who have a passion for leadership and learning and the positive attributes necessary to represent the "student voice" for all of our Titans at SKSS.

Please complete all sections of the application package and submit to Mr. Kirschner no later than October 5, 2018.
